

IPC INLAND PAPER COMPANY

This week's Product Highlight:

Kwik-Fill® Bags

Kwik-Fill

- A blend of TUF-R® linear low density resin gives Kwik-Fill added strength for dependable performance
- Standard, Medium, Heavy and Extra Heavy gauges available
- Product manufactured from extruded tubing (no side seal)
- Excellent for use at a hand-packing station
- Meet FDA requirements for food contact
- Precise perforations for dependable performance
- Some sizes available with White Back, 1/8" Vent Hole, or Vertical Perforations
- Each roll individually wrapped
- Coding system for quality assurance and tracking on each roll
