Tinted & Opaque Security Films

Tinted Identi Films:

- Product Coding & Dating
- Allows you to identify loads or products
- Improves load appearance
- More tamper evident than clear films
- Available Colors: Black, Blue, Red, Green, Yellow, Orange, Purple, White
- Available Sizes: 3", 5", 15", 18", 20", 30"

Opaque Security Films:

- Hand and Machine Sizes Available
- Prevents pilferage by concealing the nature of valuable shipment
- Protect products from sun's U.V. rays
- Prevents damage caused by rain, dew and dust during transit
- Outlasts regular film during extended outdoor storage
- Used for product identification
